Brief Synopsis

Current Situation as of 1630 hrs

There are less than 20 people on Parliament Hill and 2-300 people on the roads in and around Wellington/Elgin and Rideau/Sussex. Queen Elizabeth Dr has been cleared of traffic, however, NCC is keeping it blocked between Laurier and Catherine to prevent any further trucks from entering.

We have approximately 100 officers from multiple services deployed in a variety static traffic, QRT and mobile response capacity. Traffic officers continue to work the periphery, supporting operations. POU units are deployed in teams for QRT and support for interventions and providing a scalable presence at crowd locations.

PLT has been actively engaged, working towards opening communication with the different organizers. The stage and sound system at Rideau and Sussex has been removed.

Officers have attended the Colonnade site of alleged trucks gathering. The area has been checked several times and no Convoy related trucks were located. One pick up and camper trailer was located but not impeding traffic.

Operational planning and staffing continues with the Service Command Centre for the next operational periods.
